Dannenberg, December 14, 2022

Dear Dennis,

the Dannenberg guild mourns the loss of its honorary president, Wolf Dürner. He passed away in Berlin on December 11th, 2022 at the age of 86.

From 1978 Wolf was a member of the Jäger Corps in our Schützengilde zu Dannenberg v. 1528e. V

In 1983 he took over the office of President and directed our guild over 10 years. Wolf stood by his successor Berni about 9 years as Vice President. In 2005 his guild appointed him as an honorary President. He has always been considered one of the most active members of our guild. In 2016 we honored Wolf with the award of the protector badge.

I salute his outstanding merits.

Dennis, Wolf has not only rendered outstanding services to the rifle community near and far, but also for the connection to you, the H-Troop, to each of your comrades and especially to you. Wolf didn't have to fight for that, because the importance of these strong ties was and is omnipresent in our ranks and in yours and will also be secured in the future by the involved people.

In his eventful life, Wolf was not only known for clear words and exemplary and accurate actions, he was also an important advisor, with his experience and knowledge, who was happy to help and advise. Committed, humane and open, the man of honor Wolf was on the road. His conduct was exemplary and commendable in every respect.

We both know how much Wolf would have liked to be there at your upcoming anniversary and also his big goal of celebrating the anniversary of his Schützengilde zu Dannenberg v. 1528 to participate is now no longer fulfilled.

Dear Dennis, today we share the pain of the sad farewell to our wolf. We should take comfort in the fact that although this lovely and joyful man is no longer by our side, his legacy of bringing people together and taking an interest in each other's lives is embraced by us and lived on. We will meet again and carry Wolf in our hearts and remember him fondly.

Rest in peace dear wolf

I wish you, your family and of course your dear friends, the men of the H-Troop and their families, a Merry Christmas and a Happy New Year for you. Health and happiness.

Your Sven
